

## Mission

### Our Mission

- The Cape Girardeau Area MAGNET is a not-for-profit economic development organization which works with expanding and relocating companies who are considering a location in the greater Cape Girardeau, Missouri area.
- We provide pertinent information about locating and expanding a business in the Cape Girardeau area.
- We serve the Missouri communities of Cape Girardeau, Jackson, and Scott City, as well as rural areas of Cape Girardeau County.

### Services Provided

- Prepare Confidential and Comprehensive Project Proposals based on your project criteria.
- Coordinate community visits and property tours for site selection teams
- Act as liaison with state and local officials, area real estate developers, and utility and transportation representatives
- Maintain current inventory of available buildings and industrial sites
- Provide information on labor force availability, taxes, energy costs, financing and job training programs.
- Coordinates area-wide economic development activities with our local Economic Development Partners.
