

About Bristol

A twin city located on the Tennessee/Virginia border, Bristol is proudly known as “Home of the World's Fastest Half-Mile” and the “Birthplace of Country Music.”

Bristol’s message, “A Good Place to Live,” is showcased on Bristol’s famous sign spanning State Street, which serves as the city’s dividing line between Tennessee and Virginia. Bristol is home to hundreds of thousands of tourists each year. A majority of those visitors are race fans. Twice a year, more than 160,000 people descend on Bristol to watch NASCAR action on the sport's most popular track, Bristol Motor Speedway.

The annual Bristol Rhythm & Roots Reunion, a three-day music festival held in the city’s historic downtown, pays homage to the Twin City’s role in the popularity of country and bluegrass music. The event attracts more than 30,000 people from across the globe each year.

Downtown Bristol continues to experience a renaissance, with expansion and renovation projects to existing buildings for additional retail, office space and loft living. These developments, coupled with a cutting-edge infrastructure that attracts new companies and allows existing companies to grow, will keep Bristol moving forward.
