

## Maps and Transportation

### Maps

The city offers several area maps that can be very useful in planning for future development. More are available at the City's Community Development and Engineering offices.

- [Trade Area](#)
- [Aerial Map of Sachse](#)
- [Zoning](#)
- [TIF District \(President George Bush Turnpike Corridor\)](#)
- [Thoroughfare Plan](#)
- [Traffic Counts](#)
- [Future Land Use](#)

### Transportation

Traffic counts are available for most major thoroughfares from the City of Sachse Engineering office. Contact the Engineering office by phone at 469.429.4792 or email [bgeorge@cityofsachse.com](mailto:bgeorge@cityofsachse.com) for the latest traffic counts. Traffic counts as of 2009 provided by NCTCOG (North Central Texas Council of Governments) is [available here](#). Additional traffic counts for State Highway 78 may be obtained from the Texas Department of Transportation.
