VOLUSIA ADVANTAGE

AVIATION & AEROSPACE

Airports With Available Developable Land

A ORMOND BEACH MUNICIPAL AIRPORT (OMN)

A public-use general aviation facility with two intersecting runways (4,000' and 3,700'). It features flight aviation training facilities, an Airport Business Park, and properties available for the development of aviation related businesses and aviation

B NEW SMYRNA BEACH MUNICIPAL AIRPORT (EVB)

A general aviation transport airport situated on 770 acres of land with three runways (4,000', 5,000', and 4,323'). EVB has developable sites for sale or lease on airport property and within the adjacent industrial park. Zoned light industrial with developed roadways, air charter services, and complete infrastructure.

C MASSEY RANCH AIRPARK

A private, general aviation airport with a 3,845' runway located in the coastal fly-in community of Edgewater. This has designated commercial runway taxi access.

D DELAND MUNICIPAL AIRPORT (DED)

A general aviation airport offering air service 24-hours per day. It features corporate and private hangars, an industrial park, and two runways (4,000' and 6,000'). DED has over 100 acres of industrial land with sites available from 2 to 35 acres with several prime sites offering taxiway access within Class E Airspace.

E DAYTONA BEACH INTERNATIONAL AIRPORT (DAB)

An international airport with non-stop service to Charlotte, NC with American Airlines, non-stop service to New York City, NY with JetBlue, and service to Atlanta, GA with Delta Airlines, with connections to major cities throughout the world. DAB is located adjacent to Embry-Riddle Aeronautical University and has property available on airport grounds with runway access. On site is the Center for Innovation and Technology and the NextGen Test Bed, focusing on the modernization of the National Airspace System.
