FLORIDAFLEX HELPS BUSINESSES GROW AND COMPETE GLOBALLY

HOW IT WORKS

FloridaFlex provides grants for training expenses after jobs have been created or retained and training has occurred. Each business receiving a FloridaFlex grant provides a company match through cash or in-kind contributions.

The program partners closely with Enterprise Florida and numerous local agencies throughout the state to support higher wage, higher growth industries, including:

- Manufacturing
- Finance & Insurance
- Professional, Scientific and Technical Services
- Wholesale Trade
- Transportation & Warehousing
- Information Technology
- Plus other key sectors

NATIONWIDE RECOGNITION
A ROLE MODEL FOR OTHER STATES

- In 2014, this program was ranked 4th in the U.S. by Business Facilities, a publication that ranks workforce training leaders annually, largely based on customized training grant programs.

- This program has been recognized by both the U.S. Chamber of Commerce and National Chamber Foundation.
