About the Shelby County Development Corporation -

The Shelby County Development Corporation (SCDC) is a non-profit, economic development organization that strives to encourage, enhance and foster economic development in Shelby County, Indiana. SCDC's primary purpose is to assist site selection professionals and business / company officials in evaluating the benefits of Shelby County. A member of our experienced Business Development team can coordinate every element of your site search. We can facilitate your evaluation of such crucial factors as the cost of doing business, workforce, and demographic data. You can search our comprehensive properties data at www.shelbydevelopment.com to find the perfect property or facility for your needs.

The Shelby County Development Corporation maintains a staff of professionals to assist you in evaluating our county. SCDC will provide you with important up-to-date information about who we are and what opportunities are available for your business in Shelby County. Our professional staff is prepared to provide community and economic data, community tours and business introductions that will assist new and expanding manufacturing opportunities within Shelby County. This superior customer service is our commitment to our clients. It ensures that you have access to virtually every piece of information that you need to fully investigate our area. As part of the Indy Partnership, we also have several economic development partner organizations with many outstanding economic development professionals at the local and State levels. These regional partners are well-informed about their areas and stand ready to assist in any way possible. However, you choose to work, we have the resources to unlock the door to an entire region of opportunity.

SCDC provides comprehensive information and assistance with:

- Industrial sites and buildings
- Economic data
- Regional workforce data
- Incentives and assistance

We hope that you find this information useful and encourage you to think about our area for your future capital investment plans. Please contact us 317-398-8903 to put a member of our team to work for you.
