

Licking County

Dear Employer:

Whether you are new to the area or a well-established employer within our community, our mission is to help you with all your employment needs.

We provide a variety of services including on-site recruitments, information sessions, job fairs, employee referrals, and much more. We can advertise your available openings through OhioMeansJobs.com, our daily e-mail blast (sent to close to 4,000 job seekers daily), and local media. All services provided to job seekers and employers are FREE! Below are examples of customized services provided to local employers:

- Our office recently assisted a large local manufacture by advertising, recruiting, pre-screening, and conducting assessments of qualified applicants
 - 2,445 applications were collected and prescreened
 - 1,839 WorkKeys® assessments were conducted
 - The employer hired 92 individuals with a 87% retention rate
 - 20% of those hired were eligible for On The Job Training incentives

- In addition, our office recently assisted in the recruitment of a new employer to the area by tailoring services to meet their every need. The employer's parent company is located in Germany. The facility in Licking County is their first location within the United States.
 - OhioMeansJobs | Licking County secured funding to send a WorkKeys® professional to Germany to profile the company's positions
 - 171 applications were collected
 - 117 WorkKeys® assessment were conducted
 - The employer hired 8 employees through OhioMeansJobs | Licking County
