Two streamlined municipal processes  
dedicated to successful business expansion.

We know that the last thing a business needs to worry about is losing its way in a web of regulatory requirements that can lead to costly delays. Because Ajax understands business needs, we offer **two expedited Site Plan approval processes** designed to fit development projects of any size.

## Priority**PATh**™ AND Priority**PATh**→ *Prime*

Customers enjoy expedited site plan and building approvals, enabling them to fast-track their business plans. The **Priority *PATh*™** and **Priority *PATh Prime*** team is a dedicated group of professionals that are on hand to personally help you navigate the site plan approval process.

**We measure successful approval processes in days, not months!**

### Features:

- **Priority treatment** including clearly defined partnership roles to expedite your project.
- **Counseling** on key issues impacting the speed of your application.
- **Liaison and advocacy** on your behalf with various departments on approval and permitting issues.

### Benefits:

- Mutual understanding of your project time lines.
- Development of a customized path that works with your project time lines.
- Strong relations with the Town with access to additional resources for your project.

### Impacts:

- ▶ **Save Time!**
- ▶ **Save Money!**
- ▶ **Avoid Surprises!**
