

Business Assistance

[Print](#)

The Wylie Economic Development Corporation works diligently to attract businesses to Wylie. The WEDC has a great range of flexibility in assisting businesses that have the potential for positive economic impact on Wylie.

The WEDC Board of Directors analyze each request for financial assistance on a case by case basis. Key factors considered by the Board however are the number of jobs to be added to the local workforce and the amount of new investment in real and personal property improvements. Incentives which are available to qualifying projects are as follows:

- Infrastructure Participation
- Relocation Grants
- Tax Abatement
- Waiver of Development Fees
- Tax Increment Financing District
- Enterprise Zone
- Chapter 380 Agreement
- Sales Tax Rebate Program
- Industrial Revenue Bonds

Please [contact the WEDC office](#) at 972/442-7901 to discuss how the WEDC can assist you in your business relocation/expansion.
