

# TOMBALL

Connected to the past.....

Working for the future.

The Tomball Economic Development Corporation (TEDC) provides financial assistance to qualifying companies that are looking to expand or relocate to Tomball. Located just 28 miles northwest of downtown Houston, Tomball offers a friendly small town environment with all the convenience of a large city.

A growing economy, sound workforce and a first-rate living environment are just some of the reasons to do business in Tomball. The opportunities to expand your business are many, and our goal is to minimize your efforts and provide your business the best resources available.
