

# **WELCOME TO TUCSON,**

A CITY IN HARMONY.

A modern urban center meets a stunning natural landscape. A growing metropolis with a deep connection to its history, culture, and sense of place like no other community. The Old Pueblo meets the 21st century.

Tucson is a community where young people have access to world renowned higher education and an affordable cost of living. Where innovators are given the freedom and support to dream big, and organizations are given the talent, infrastructure, and resources to flourish.

This is a culture, a lifestyle, and a charm that you'll find only in Tucson.

*"I PLAN TO STAY HERE FOR A WHILE—MY CAREER IS GROWING, AND WITH THE MILD WINTERS, CONSTANT SUNSHINE, ACCESS TO THE OUTDOORS AND THE LOCAL CULTURE, TUCSON CHECKS ALL THE BOXES FOR ME."*
