Advantage: Oswego County

Situated in Upstate New York, Oswego County is located centrally to New York City, Boston, Philadelphia, Cleveland, Toronto and Montreal, with over 80 million people within a 300-mile radius. The great location, modern infrastructure, shovel ready sites, skilled workforce and a great quality of life place Oswego County at the top of the list for our target industries: advanced manufacturing, logistics, agribusiness, energy and tourism.

Workforce

- ✓ Our 59,000-strong workforce is one of the most skilled labor forces in the nation.
- ✓ County and state agencies provide employers with custom training services as needed, plus other services such as on-the-job training opportunities, skills assessments, and so much more.

Education

- ✓ Oswego County is home to the State University of New York College at Oswego and Cayuga Community College's Fulton Campus, offering both traditional and non-traditional students access to continuing education. Cayuga Community College is also home to the Advanced Manufacturing Institute.
- ✓ The Center for Career and Community Education is a partnership between Cayuga Community College and the Center for Instruction, Technology and Innovation (CiTi). The CCCE offers career training, customized corporate training and more. Additionally, CiTi offers PTECH to students interested in STEM. The 5-6 year program allows students to achieve a high school diploma and a 2-yr college degree simultaneously.

Utilities

- ✓ Oswego County, powerhouse of the northeast, generates over 5,500 megawatts of electricity with extremely high reliability. National Grid serves 33 counties in Upstate New York, including Oswego County. They provide electric service to approximately 1.5 million customers and natural gas service to approximately 540,000 customers in upstate New York.
- ✓ With Lake Ontario at our shores, Oswego County boasts one of the most abundant and highest-quality water supplies in the country. Public sewer systems are available in the City of Oswego, the City of Fulton and most of the incorporated municipalities, with the exception of some rural areas.
- ✓ Broadband is available in the majority of the county, except in the most rural areas. It has been identified as a priority in the County of Oswego's Economic Advancement Plan and coverage continues to expand.

Transportation and Logistics

- ✓ The county offers convenient access to Interstates 81 and 90 which provide north/south and east/west movement through the state.
- ✓ The Port of Oswego is a deep-water port and the first port-of-call in the Great Lakes-St. Lawrence Seaway System.
- ✓ CSX rail service is available throughout the County, with direct access at the Port of Oswego and the industrial parks.
- ✓ Oswego County also has a local general aviation airport and is within minutes of Syracuse's Hancock International Airport.

***Over 1,000 acres available on our site listings plus hundreds more available privately.
Four industrial parks, state and local incentives, and expanding regional growth.
Welcome To Oswego County, NY!***
